

FOR IMMEDIATE RELEASE

Christine Brennan and Rennae Stubbs to Host New Sports Talk Show on SiriusXM

“Game Changers” will cover women’s sports, and women’s perspective on all sports

Will debut September 19 and air weekly on The Dan Patrick Radio channel on SiriusXM

NEW YORK – September 17, 2018 – SiriusXM today announced that it has signed groundbreaking sports journalist Christine Brennan and former professional tennis player Rennae Stubbs to host a new weekly show that will air nationwide on the Dan Patrick Radio channel on SiriusXM (channel 211).

On *Game Changers*, which is produced in collaboration with the Aurora Games and which will debut on September 19th and air every Wednesday (6:00-8:00 pm ET), Brennan and Stubbs, along with their high profile guests, will team up to add an insightful perspective to the world of sports talk. As a leading journalist and successful professional athlete, the pair brings two uniquely experienced and resolute voices to a program that will cover women’s sports and also examine the headline topics in the larger sports world that affect and interest woman and girls everywhere, whether they be fans, professional athletes, or parents and kids involved in youth sports.

The show will also preview next year’s inaugural Aurora Games, a multi-sport, multi-country, multi-day event – showcasing the best in women’s sports, entertainment and culture – taking place on August 20-25, 2019.

“When the opportunity to host *Game Changers* came along I knew it was something I wanted to do,” said Brennan. “The timing for a show like this is perfect and I’m looking forward to working with SiriusXM and Rennae to discuss a wide variety of sports topics each week, including looking ahead to the upcoming Aurora Games.”

“As a professional athlete and long-time fan of all sports, *Game Changers* offers me a platform to talk about the things that I know sports fans around the world are interested in discussing,” said Stubbs. “Being able to do that with Christine will make it a thrill every week.”

“Christine and Rennae are two dynamic and bold voices who provide a valuable perspective on sports,” said Steve Cohen, SiriusXM’s SVP of Sports Programming. “We are thrilled to be teaming them up on SiriusXM, where they will have a platform to reach listeners from coast to coast. *Game Changers* is an outstanding and welcome addition to our lineup.”

“We are excited to partner with SiriusXM on this ground breaking show,” said Aurora Games founder and Executive Producer Jerry Solomon. “The Aurora Games is all about the changing landscape for women’s sports and *Game Changers* will have its finger on the pulse of that change.”

Subscribers nationwide can listen to *Game Changers* on the Dan Patrick Radio channel, which is available nationwide on SiriusXM radios (channel 211), on the SiriusXM app and at SiriusXM.com (<https://siriusxm.us/2NHMKky>), and at home on a wide variety of connected devices, including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. The show will also be available [On Demand](#) via the SiriusXM app and at SiriusXM.com.

Christine Brennan has been a leading voice on some of the most controversial and important issues in sports. She is an award-winning national sports columnist for USA Today, a commentator for ABC News, CNN, PBS NewsHour and NPR, a best-selling author and nationally-known speaker. Twice named one of the country's top 10 sports columnists by the Associated Press Sports Editors, she has covered the last 18 Olympic Games, summer and winter. Brennan was the first woman sports writer at The Miami Herald in 1981, the first woman to cover Washington's NFL team as a staff writer at The Washington Post in 1985, and the first president of the Association for Women in Sports Media (AWSM).

Rennae Stubbs won four Grand Slam doubles titles and two Grand Slam mixed doubles titles. She achieved the world No.1 ranking in doubles and she represented Australia at four successive Summer Olympic Games: Atlanta 1996, Sydney 2000, Athens 2004, and Beijing 2008. Stubbs transitioned from her playing days into a successful television career as a commentator and host for several TV networks including ESPN, Tennis Channel and Channel Seven Australia. She also worked as an analyst at the 2012 London and the 2016 Rio Olympics for NBC.

About The Aurora Games

The Aurora Games was created by sports industry entrepreneur Jerry Solomon (BNP Paribas Showdown, Halloween on Ice, World Tennis Day, King of the Beach Invitational and more) as a new international sports competition for women's and to provide a platform to shine a light on the athletes. The Aurora Games will take place every two years and be accompanied by a music and cultural festival. Follow the Aurora Games on Twitter (@AuroraGamesFest) and sign up for the Aurora Games newsletter at www.auroragamesfestival.com. For more information contact theauroragames1@gmail.com.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2017, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
